a project of  
Arc Ecology  
Serving Bayview Hunters  
Point Since 1983*

Final Cleanup Plans  
The Navy has just completed years of study and evaluation and has published its decisions on how to cleanup Parcels B, G and D2 of the Hunters Point Shipyard. Find out what the Navy has in store for this project and what the California Department of Toxic Substances Control, San Francisco Department of Health & Arc Ecology think of the decision.
